The Lyon Group is planning to develop a solar farm with 2.3 million solar panels giving a capacity of 250 MW at Nowingi about 50 kilometres south of Mildura in north-west Victoria. The solar farm will have a 80 MW (160 MWhr) battery storage facility providing 2 hours of storage. Construction is expected to cost $660 million and is planned to start in 2017.

Company: Lyon Group  
Capacity (MW): 250  
Status: Planned  
Start Year: 2018  
Technology: Solar Thermal  
Fuel: Solar  
Alternative Fuel: 80 MW (160 MWhr) battery storage
